Infrastructure Renewal in Regina – A Discussion

The following is an edited version of concerns raised by Whitmore Park resident Paula Doke and the responses provided by Ward 1 Councillor Barbara Young. Mrs. Doke attended a community association meeting to express concerns related to the deterioration of Whitmore Park's infrastructure. In a following community association meeting attended by Barbara Young, the WPCA executive shared Mrs. Doke's comments.

Barbara invites all residents to review the "State Of Roadways Infrastructure 2013" report which is now available on the City of Regina website: **http://www.regina.ca/residents/open-government/open-info/state-***of-roadways-infrastructure-2013*

A draft of the Residential Road network Improvement Plan will be coming before the Public Works Committee on Sept. 11. The Local Improvement Program (LIP) review and options will also be forthcoming at a meeting this fall.

WPCA: There is now a plan to develop a reserve for City of Regina neighbourhood infrastructure support and repairs – this year a 1% portion of our taxes will be added to create a reserve for roadway rehabilitation. It is agreed that this is definitely not enough. Prior to this year, there had been no reserve set aside for infrastructure repairs by the City of Regina.

Barbara Young: There has been no reserve for neighbourhood roads including arterials and collectors. However there is a reserve for underground pipe repair through the utility branch. Your water bill has been contributing to that for some time. This reserve contribution advances capital work projects such as the new wastewater treatment plant and the maintenance & upgrades of water system. The water utility budget is used to repair and install new underground pipes across the city.

There has been no reserve for improving local roads until the 1% put the 'foot in the door' during the 2014 budget process. Each year the budget allocates an amount for roads. For the past 3 years it has been 18 million dollars. In the 2014 budget it was 19 million. Approximately 80% goes to roads that carry 80% or more of the traffic such as arterials, both for rebuilds and for thin asphalt overlay as well as maintenance. The remaining 20% has been used for the city's portion of the LIP. The city pays for all the road, pipe repair and a percent of the concrete work on curbs, gutters, driveway entrances and sidewalks. The resident pays a percentage for the concrete work. Since the price of concrete and other costs have increased significantly, the costs for all projects have also increased for both the city and the homeowner shares.

While we now have a 1% reserve in the budget, how it is used will be discussed along with the review of the LIP which is due this fall. That review is the result of a motion I introduced, supported by Council, to bring options for the funding of local road improvements forward that will address concerns property owners provided such as equity, sidewalks and interest rate.

WPCA: You are willing to meet with Whitmore Park residents and the Whitmore Park Community Association at some time in the near future on the issue of our infrastructure concerns. You suggest that the meeting be held after the revised LIP (Local Improvement Program) draft is released by the City towards the end of the summer, so that feedback on the revised LIP options can be received from Whitmore Park residents.

B.Y.: I am always willing to meet with residents who want to know the facts about the issue of infrastructure and the discussions about options that can be considered. Both the City and Council know the condition of the roads not only in Whitmore Park but in all the older neighbourhoods in the city that haven't had infrastructure renewal for the last 30 – 60 years. Ward 1 has the highest number of roads in poor condition in the city.

WPCA: The City of Regina will be prioritizing the streets of Whitmore Park much than they have in previous years.

B.Y.: The city prioritizes roads on a defined criteria basis which is outlined in the online report (see above link to obtain a copy). Parts of Whitmore Park rises to the top of the list. Underground services are considered as part of the criteria.

What is missing is a master plan for how we go forward to begin solving the infrastructure problem. That plan is scheduled for the Public Works meeting on Sept. 11, 2014. A factor in that plan is Provincial and Federal infrastructure funding rather than

using property taxes which can't handle the scope of this work in Regina and/or other cities. That funding has not been forthcoming and advocacy work is being done at the Federal and Provincial levels by municipal organizations. All municipalities across Canada are experiencing this situation.

People often ask, where has our tax money for the past 30 years gone if not on our local roads? The money was used for all the services in the city, for rising costs of doing business. Remember that only 57% of your property tax bill goes toward the city. For that amount you are getting Fire and Protective Services, Police services, 100 parks including our contribution to Wascana Park, Community Association funds and grants, water, sewer, snow removal, storm drainage basins, transportation and the list goes on. Going forward we will have to make some hard choices about what we fund. There are always trade-offs. If we have a road reserve then there will be other areas that won't go forward as quickly. I can speak about some of those trade-offs when we have a meeting.

WPCA: You are trying to get the City of Regina to recognize Grant Drive, Grant Road, and Massey Road as collector roads – so that their repair can be supported by provincial and national government-based funding??

B.Y.: Federal and provincial funding may designate money for infrastructure. However they do not decide which roads are covered by funding. The city makes those determinations.

WPCA: What mechanism would be in place to assure that repair/replacement work on infrastructure in Whitmore Park is done on an ongoing and consistent basis in the future?

Construction on McKee Crescent, as pictured on June 22, 2014. Photo courtesy of Lori Giroux

B.Y.: The work by council and administration on the reserve and options for the LIP program are pointing toward a plan for road/pipe infrastructure for the city – not Whitmore Park alone. Whitmore Park is only one neighbourhood in the city that has older infrastructure compounded by the clay soil. I have driven on roads that are as bad or, worse, than Grant Drive in other parts of Ward 1 and in older areas of the city. I think we have to get past thinking about our own neighbourhoods and look at the larger problem of the need for a city plan that benefits all neighbourhoods. The recent passage of the Phasing and Financing Plan to manage who pays for development growth is a critical financial approach to enabling us to conserve our resources, manage capital investment so that the city is able to fund improvements in all areas of the city."

Realize. Learning your way.

Enlighten your curious side.

Whitmore Park Community Association 2013-2014 Youth Leadership Award Recipients

Submitted by Terry Shalley - WPCA Executive

Congratulations to Minru Wang (May) of Campbell Collegiate High School and Amaya Lucyk of Dr. Martin LeBoldus High School who were each presented with a $500 Whitmore Park Community Association Youth Leadership Award at their school grad exercises in June, 2014, for their volunteer contributions to the Whitmore Park Community and the City of Regina.

For the past 12 years, the Whitmore Park Community Association has presented these awards to grade 12 students at both high schools in the community (a total of $12,000 for youth for their volunteer contributions to the Whitmore Park area).

Minru Wang (May) has applied to study Civil Engineering at McGill University and to participate in the Work Study Program. Minru has actively volunteered in numerous community activities and other organizations including: Wascana Rehabilitation Center, Regina Folk Festival, Souls Harbour Kitchen, Whitmore Park Community Talent Show, Canadian Gymnastics Championship, Provincial Basketball Championships, Saskatchewan Roughrider games, Les Urbainculteurs Quebec program and the Broadway United Church. Minru has also been involved in extracurricular activities at her high school including Campbell graduation ceremony, basketball tournaments, school band, business and environmental clubs, summer French-immersion programs and table tennis, badminton, cross-country running teams. Minru notes that volunteering brings a positive impact to nearly all aspects of a community and is essential in aiding a family with maintaining a stable life. Volunteering has allowed her to making changes in others' lives and in making the community a better place to live.

Amaya Lucyk's future plan is to be a high school teacher majoring in English Language Arts and minoring in Biology. Amaya has been actively volunteered at Whitmore Park Community BBQ as guest solo performer, St. Martin's Knights of Columbus, Christmas Dinner, Royal Sask Museum children's programming, Martha House and Transition House collection campaign, Marian Center clothing drive, Regina General Hospital Children's Ward, St. Martin's Parish, Challenge Girl's Club, Elmview Senior Citizen's Center and St. Augustine/St. Luke schools.

Amaya's involvement in extracurricular activities at high school include the following: creative writing and multicultural clubs, graduate and select band program, Good Buddies Blues Band, choir program, summer student exchange in Quebec, Young Canadians Forum in Ottawa, participates in school volleyball and the Select Delegate for the Regina Catholic School Division. Amaya notes that volunteering is an act of self-sacrifice that changes the nature of how you give, and changes the way that you perceive what they are giving. Amaya believes in mentoring those who are younger than her and to provide a good influence to young girls in the community.

Some ideas these two students had in making Whitmore Park a better place for residents were to:

Investigate in hiring a youth coordinator in coordinating community events such as barbecues, doing spring and fall cleanups of public grounds and other fundraising activities which benefit the community at large.

Establish a volunteer tutoring program for students to assist them with any difficulties they encounter in school.

One grade 12 student from Dr. Martin LeBoldus High School and Campbell Collegiate is eligible to receive each of these Youth Leadership Awards during the school year. For more information, please contact the High Schools guidance department or Anna Buchanan, WPCA Executive member at **secretary@whitmorepark.ca** Next year's application deadline is April 30, 2015.

Nominate a Neighbour

Do you know of a Whitmore Park resident who is an exceptionally interesting person?

Maybe they are new Canadians, or have travelled extensively, or have a unique occupation, or anything really!

We would like to share these stories with all of our neighbours in Whitmore Park. With your nominees' permission, let us know who they are and we will do the rest.

9TH Annual Mike Badham Walk

Submitted by Terry Shalley

Participants of the 9th Annual Mike Badham Memorial Walk. Photo courtesy of Terry Shalley

The 9th Annual Mike Badham walk took place on Sunday, June 15th (Father's Day) at Grant Road school with the Badham family present.

Mrs. Badham spoke to those in attendance and thanked everyone for remembering Mike every year the walk is put on. She especially thanked the Whitmore Park Community for establishing this event and for honouring his contributions to the community and the City of Regina. Special greetings were given by Hon. Ralph Goodale, MLA Bill Hutchinson and former City Councillor Louis Browne for attending. The family looks forward to meeting everyone next year.

Garage Sale Day a Success Once Again!

Thank you to the 40 plus households that registered for the Garage Sale Day on June 14. While the weather was once again not ideal, it didn't seem to keep the shoppers away. Watch the spring Whistler for information on how to sign up for 2015.

(L-R) Carolynn Meginbir, Jo Hartnell, Pat Benning, Helen Lerach and Theresa Seidle of the St. Martins Crafters had another successful sale on Garage Sale Day. Photo courtesy of Lori Giroux

Regina 4-H Club

A NEW 4-H club is starting up in the Whitmore Park community!

4-H offers youth members, ages 6 to 21, the opportunity to **Learn to Do by Doing!**

We plan to offer Crafts and Gardening, and may offer other projects if there is interest. Adult volunteers are welcome!

Our club will meet at 6:00 pm on the first and third Mondays of October to June at the All Saints Anglican Church.

Interested? Contact us or attend our Registration Meeting on September 15.

WPCA Fall 2014 Program Registration

Tuesday, September 9, 2014 • 7:00pm - 8:00pm

Campbell Collegiate Auditorium

HOW TO REGISTER FOR WPCA PROGRAMS & OTHER CITY-WIDE PROGRAMS

1. Attend the WPCA program registration for residents of Whitmore Park
2. Become a member ($5 per household). Membership valid from Sept. 1, 2014 - Aug. 31,2015.
3. For WPCA programs: Register & pay for program(s) at the WPCA registration.
4. For other programs (run by other community associations): register for programs at the WPCA registration but do not pay. The sponsoring organization will contact you and collect the appropriate fees.

WPCA Refund Policy

All requests for refunds for WPCA programs must be made to Program Coordinator. Refunds will be granted if requested 2 weeks prior to program start. Anyone asking for refunds outside these limits may do so in writing to the Treasurer. Requests will be reviewed by WCPA Executive & will be considered for special circumstances on a prorated basis. $5 administration fee. No refunds for memberships.

Please note: (m) indicates materials needed

DANCE PROGRAM

Thursdays, Sept. 18 – Nov. 6 • $35.00 • St. Matthew's School gym
Use back gym door entrance

Creative Movement
3-4 yrs • 6:00 pm – 6:30 pm
Creative Dance
5-6 yrs • 6:35 pm – 7:05 pm
Pre-Ballet
5-6 yrs • 7:10 pm – 7:40 pm
Ballet
7-8 yrs • 7:45 pm – 8:15 pm

Program Descriptions:

Creative Movement (3-4yrs) helps children in their early years develop both physically and creatively. Week to week children will work on fundamentals such as balance, skipping, hopping, jumping, and body/environmental awareness. The children will learn how to express their ideas both vocally and bodily through a variety of creative and imaginative dance activities that are teacher led.

Creative Dance (4-5yrs) - Building from the previous creative movement class, there will be a large emphasis in this class for the student truly creating. Opposed to being largely teacher led, this class will provide a variety of creative structures that allow for the children to create and interpret their own movements. Each class will also focus on many of the fundamentals of physical and creative development: balance, skipping, hopping, jumping, and body/environmental awareness, counting and rhythm.

Pre-Ballet (5-6 years)- In this class, children will be introduced to the ballet fundamentals, focusing on the foot and arm positions. Students will have an opportunity to learn positioning on both the barre, as well as on the floor. The goal of this class is to help students become comfortable with the basics of ballet. Students will build and work on a short routine each week to perform on the last day of class

Ballet (7-8 years) In this class, children will be introduced to the ballet fundamentals, focusing on the foot and arm positions. Students will have an opportunity to learn positioning on both the barre, as well as on the floor. Students will also begin learning some stretches and exercises to help with technique and posture to help prepare them if they choose to continue taking ballet. Students will build and work on a short routine each week to perform on the last day of class. (Note: pre-ballet is not an asset, as the class can, and will, be adapted base on the students.)

RED CROSS BABYSITTING 11+ yrs

Saturday, Oct. 4 9:00 am – 5:00 pm
Grant Road School gym $45.00

Bring a doll, pen, paper and a NUT-FREE bagged lunch to class.

Program Description:
The Canadian Red Cross Babysitting Course is a great opportunity for kids to learn some valuable child care and first aid skills. This course will help in learning how to care for babies, toddlers, preschoolers and school aged children as well as how to handle emergency situations.

FREE FAMILY OUTDOOR SKATING

Skating shelter open All ages Early Dec. to late Feb.
Grant Road skating rink

Mon. – Fri. 7:00pm – 8:30 pm
Sat – Sun 2:00pm – 4:00 pm

FOREVER ...IN MOTION 50+ YRS

Whitmore Park United Church Registration @ first class

Mon. Sept. 15 – Dec. 8 10:00 am
Thurs. Sept. 18 – Dec. 11 1:00 pm

Program Description
The program includes endurance, strength, balance and flexibility activities which may be performed either in sitting or standing positions. Groups are led by peer volunteer leaders who have taken the Forever... In Motion training offered by the Regina Qu'Appelle Health region.

SKATING

Oct. 20 - Dec. 8 Murray Balfour rink

Learn to Skate
6- 11 yrs • 4:45 - 5:30 • $75

Power Skating
6- 11 yrs • 5:30 - 6:30 • $90

FITNESS CLASSES

Adult

Cardio Bootcamp
Tues. Sept. 16 – Dec. 2 6 – 7 PM
Grant Road School $72

Guts and Butts
Tues. Sept. 16 – Dec. 2 7 - 8 PM
Grant Road School $72

Pilates and More
Tues. Sept. 16 – Dec. 2 7 – 8 PM
Massey School $72

Body Pump Cardio
Thurs. Sept. 18 – Dec. 4 6 – 7 PM
Grant Road School $72

Guts and Butts and Core
Thurs. Sept. 18 – Dec. 4 7 – 8 PM
Grant Road School $72

Whitmore Park Skating Program in Danger of Closing

There is a very real danger of the Whitmore Park Skating program being cancelled. This danger exists because of increasing costs for ice time and a recent drop in enrollment in the Learn to Skate and Power Skating programs. The programs have run at a loss for the last two year and if we do not get a minimum number of participants the programs will be cancelled this year.

The minimum numbers for each program are; Learn to Skate – 19, Power Skating – 18. Whitmore Park is proud to offer these programs and will do everything we can to continue to make sure they are available, but cannot continue to operate them at the losses we have been experiencing in recent years.

If you are thinking about enrolling your children in these great classes please make sure you register them on registration night, September 9, 2014.

If these programs are cancelled our volunteers will make sure people are notified in a timely manner and try to help them find places in similar programs offered by other community association. For any questions please contact Terry at 306-584-9884.

FREE FITNESS IN MIKE BADHAM PARK

Join Nina (one of WPCA's Fitness Class instructors) for 2 free classes in Mike Badham Park on Thurs. Sept. 4 and Sun. Sept. 7 @ 6:15pm – 7:15pm. Let's hope for nice weather so we can get out there and have some fun !!

Guts and Butts: this class is designed to enhance and strengthen mid and lower body muscle groups with the use of free weights. Set of 5-10 lbs hand weights are required.

Butts, guts and core: this class combines strength training exercises to target leg and core areas with the use of strength tools such as bands, gliders, bender balls and a mat. All equipment is provided.

BodyPump cardio: this innovative overall body workout combines strength training and cardio intervals. Free weights, bands and bender balls will be used to target major muscle groups to build strength. Set of 5 - 10 lbs hands weights are required.

Cardio Bootcamp: this athletic workout incorporates strength training and cardio intervals that will make you sweat. It is a workout with basic cardio movements taken to various levels of intensity.

WPCA RECREATIONAL HOCKEY

14 yrs - Senior

This year, WPCA is offering recreational hockey to individuals 14 and up on Friday evenings. This is an opportunity for various generations of hockey lovers to play an hour of hockey once weekly for 20 ice times. Former WPCA Outdoor hockey players are encouraged to participate. Two time slots are available; 7:30 and 8:45. * Full equipment is required.

Time: 8:45-9:45
Start Date: Oct. 17, 2014
Location: Murray Balfour Hockey Rink
Fee: $180 and WPCA Membership Card

For more information: Jim Appleby 584-7218

MONDAY NIGHT FOOTBALL

Ranch Ehrlo Sport Venture Programs will be putting on another season of the Monday Night Football League this year. The season will begin with a kick off on Monday, August 25 from 6:15 p.m.— 7:30 p.m. @ MOSAIC STADIUM. All players can sign up for the league at the kick off or at any of the fields on the first league night. The first league night will begin on Monday, Sept. 8 at 6pm to dusk. Field locations below:

Regular Season Field Locations (Sept. 8 — Oct. 13)

Glencairn
—F.W Johnson High School Football Field 400 Fines Dr.

Rosemont Mount Royal
—St. Francis School Park 45 Mikkelson Dr.

Core/Ritchie/Gocki Park Football Field
— 445-14th Avenue

North Central/Albert Community School
—1340 Robinson St

Argyle Park/St. Timothy School Field
— 280 Sangster Blvd.

There will be free transportation to and from the kick off from each field location. Please check out our website for the bus schedule. www.ehrlo.com/community-services/ehrlo-sport-venture

For any questions in regards to this league, please call Sport Venture Programs at 306-751-2411

Request For Volunteers

Outdoor Ice Rink Whitmore Park

The Whitmore Park Community Association is asking for your assistance to operate the outdoor ice rink near Grant Road School in Mike Badham Park this upcoming winter season. The season will run from mid-December to the third week in February of next year. We want to make much better use of the facility that has been under utilized in our community.

Ideally we would like to have the warm-up shelter open from 1:00 to 9:00 pm on Saturdays and Sundays; closed from 5:00 to 7:00 pm for meal times. Through the week from Monday to Friday, we would like to have the shelter open from 6:00 to 9:00 pm. We ask that you volunteer a one hour time slot during any of these days; e.g. Sunday - 3:00 to 4:00 pm. If you like to volunteer for longer periods of time or times on various days of the week, we would certainly welcome your commitment.

If you are older than 18 years of age and are willing to responsibly supervise the use of the shelter and rink, then we would like to have you volunteer. You would not be expected to clean the rink ice as part of your volunteering; the City has staff to perform that function.

You can sign up by contacting our community coordinator, Brian Black, Vice-President, WPCA at 306-584-0276 or e-mail him at vp@whitmorepark.ca Volunteering your time is a great way to meet new people and make a better community for all of us.

South Regina Community Soccer 2014

Submitted by Doug Samchinsky

South Regina Community Soccer (SRCS) wrapped up its 2014 season with the annual wind-up and barbeque on Saturday, June 21st. Despite a very rainy week leading up to the big day, the City of Regina gave us special permission to use the fields on June 21st for all age divisions U4 through U12. The fields were still a little soggy, but the sun shone and the rain held off. All teams played their wind-up game before heading over to the barbeque at the South Leisure Centre.

2014 SRCS By the Numbers

Age Division	Players	Teams
U4	103 (41G/62B)	4G/6B
U5	175 (75G/100B)	8G/10B
U6	168 (65G/103B)	6G/10B
U8	176 (59G/117B)	5G/10B
U10	112	8
U12	67	4
U15	44	2
U18	44	2
Grand Total	889 Players	75 Teams

Overall, 2014 was another successful year for SRCS. The season unofficially began with registrations held on February 26 and March 8, as well as on-line registration from February 19 to March 7. This was the first year SRCS offered on-line registration and it proved to be quite popular with just under 40% of participants registering online.

South Regina Community Soccer is run entirely run by volunteers. This program could not run without the help of the many individuals who volunteer to help with registration events, team building, equipment and jersey sorting, website maintenance, online registration and the wind-up barbeque. A special mention goes to the wind-up barbeque team of Randene Rourke and Brenda Bonyai who organized the food and drink - almost 1200 hamburgers and hotdogs! – as well as coordinated the volunteers needed to keep the barbeque running smoothly. A special mention also goes to the 115 coaches and assistant coaches who shared their knowledge of soccer and made sure that all the kids had a great time on the field at each game in the 7 week season. Thank you to everyone who volunteered their time and energy this season. We look forward to seeing you again next year!

It continues to be a challenge to get the word out about registration, especially since soccer may not be top-of-mind during the cold months of February and March. For those of you who plan ahead, the 2015 registrations will take place on Wed. Feb. 25 (7-9pm) and Sat. Mar. 7 (9-11am) at the South Leisure Centre. Online registration will be available from Feb. 23 through Mar. 23. Check back at **www.srcs.ca** in January 2015 for complete details.

Tell Us What You Think!

The Whitmore Park Community Association is looking for feedback about programs and events in our community so that they can better plan programming to suit the needs of our residents. Go to www.whitmorepark.ca and click on the survey link. The survey only takes a few minutes to complete. Results will be published in a future edition of the Whistler.

Thank you to residents Shanshan W. and Lee M. for taking the time to complete the survey. You have each won a Tim Horton's gift card!

goodale.r@parl.gc.ca

Regina Catholic Schools • (306) 791-7200

City of Regina Information

City of Regina By-Laws are not all actively enforced; rather City officials rely on residents to report infractions by calling 306-777-7000, weekdays 8:00 am to 4:45 pm.

PARKING BY-LAW

No vehicle may be parked on the street for more than 24 hours except for Saturdays and weekends. These regulations apply to RVs and construction-related vehicles. Bylaws #10123, ss. 5 and 6, 1999; #10193, s. 5, 2000; #2005-95, s. 6, 2005)
http:// www.regina.ca/AssetFactory.aspx?did=216

STREETLIGHTING

Streetlight not working? Call 1-888--757-6937
If someone doesn't call, they don't know about it!
Note the address of the property that is closest to the streetlight, because they will ask for this information.

NOISY PARTIES

It is against the Noise Abatement Bylaw #6980 to create any noise that is a disturbance to others between 10 p.m. and 7 a.m.
To report a noisy party, phone the Regina Police Service Communications Centre at 777-6500. Give the address of the residence from which the noise is coming. You will also be asked for your phone number so the Communications Officer can call you back to confirm information.
Based on that information, the Communications Centre will try to make phone contact at the address to ask the person in charge to quiet the party. If the person in charge at that address is unwilling or unable to comply, the Communications Office will request that police attend. Please be patient; all calls are handled on a priority basis and there may be other serious, or even life-threatening, situations in progress that must be dealt with first.

FIREPITS

Some important information you should know: You may only operate your firepit between 12 pm and 1 am. Bonfires and open fires are not permitted.
Small fires are permitted provided they are in containers meeting specifications outlined by the City of Regina. The burner should be well away from flammable materials (building, decks, fences, stacked wood, dry grass). You may only burn charcoal, seasoned wood or manufactured logs. You may NOT burn garden refuse, leaves, rubbish or materials that may be considered hazardous, or which produce black smoke. You should keep the fire small. A "roaring"fire can easily get out of control.
Fine for contravening regulations: $300.
For additional information, or to register complaints, please contact the City of Regina (777-7000) or check the website: **http://www.regina.ca/Page299.aspx**
