Whitmore Whistler

Fall 2025

Whitmore Park Community Association

As with any fall season, excitement looms in the air. The kids are back in school, activities are back up and running after summer break, and before we know it, the hustle and bustle of Halloween and the Holiday Season will be here.

Our Holiday Market and Snow Angels program will be back for the third year in a row, and our Kung Fu classes at Grant Road School and Massey School are excited to be back in session.

As always, we're always on the lookout for awesome and amazing folks like you to volunteer and spend some time with us. Participating in community events and programs helps bring the magic out in our cozy community. Feel free to reach out if you have some time and a passion to either get something started or help maintain any of our current slate of programs and events.

We're looking forward to seeing you all join us this season!

WPCA Board News

Board Vacancies

Our **treasurer** and **sign coordinator** roles will be vacant as of November at our AGM. We also have director-at-large positions available. If any of these roles interest you, please consider putting your name forward. We would love to have you on board!

Seeking Program Volunteers and Event Planners

The WPCA is also looking for enthusiastic volunteers to join and coordinate our various programs, events, and initiatives. Whether you have a natural talent for event planning, coordinating class logistics, love working with kids, or are skilled in fundraising, we'd love to hear from you. Your effort creates memorable experiences for all of us in the community.

Monthly WPCA Meetings

Our regular board meetings are held the **third Wednesday** of the month, from **7 to 9 pm** at **Campbell Collegiate** in the Conference Room. These meetings are a fantastic way to learn about what our community offers, raise concerns, and connect with neighbours. These meetings are open to the public, and you're all invited to attend.

Annual General Meeting (AGM) – November 19

Our AGM will soon be here! It'll be at **7pm** on **November 19** at **Campbell Collegiate**. This is where we show off all the remarkable things we've done this year, address concerns, and elect new board members. This is your chance to be a part of the magic and help shape the direction of the WPCA. We'd love to see you all there, take part, and make our community the best it can be.

Please reach out to **info@whitmorepark.ca** with any questions, concerns, and other inquiries.

To learn more about our current offering of classes, feel free to check us out online at https://whitmorepark.ca/kung-fu-classes/ . Winter session classes will be listed online here too.

Snow Angels

Regina is well known for rough winters—full of snow, ice, cold, extension cords, mittens, toques, and everything else that goes along with it. Its effects on the elderly and those with mobility challenges can add a few extra burdens.

The **Snow Angels Program** is returning as a practical response to address these issues for our more vulnerable community members, connecting volunteers with neighbours in need that have mobility or health concerns aggravated by winter weather.

Snow Angels brings the community together and reminds many of us that simple acts of kindness, such as clearing snow, can create a safer, more inclusive, and involved community for all.

This program is a City of Regina funded program. Please contact snowangels@whitmorepark.ca to register as a recipient or volunteer. Honourariums are available to volunteers. Dependable and reliable youth and adult volunteers are appreciated, equipment will be provided.

Have a safe and fun winter season, everyone!
