The Whitmore Whistler

Spring 2026

President Message

Winter is over, finally! Days are getting longer, and spring is here. Warm weather and patio season are all very exciting after a long, dark, cold, and icy winter.

Our Plants and Pots Sale, Community Clean-up and Community Garage Sale events are back again this year. Our Kung Fu program is running another few weeks this spring. We're also partnering with Hillsdale Community Association to bring back a Summer Bash Movie in the Park in August.

As always, we're always on the lookout for awesome and amazing folks like you to volunteer and spend some time with us. Participating in community events and programs helps bring the magic out in our amazing community. Feel free to reach out if you have some time and a passion to either get something started or help maintain any of our current slate of programs and events. We're constantly looking for program coordinators, event planners, grant writing gurus, and folks to take on administrative duties.

We're looking forward to seeing you all join us this season!

Jackie Harle, President

WPCA Board News:

Board vacancies

Our Secretary role is currently vacant. We're also looking for someone to fill a treasurer-in-training role. We also have director-at-large positions available. If any of these roles interest you, please contact us. We would love to have you on board.

Seeking program volunteers and event planners

The WPCA is also looking for enthusiastic volunteers to join and coordinate our various programs, events, and initiatives. Whether you have a natural talent for event planning, coordinating class logistics, love working with kids, or skilled in fundraising, we'd love to hear from you. Your effort creates memorable experiences for all of us in the community.

Monthly WPCA meetings – every third Wednesday

Our regular board meetings are held the third Wednesday of the month, from 7 to 9 pm at Campbell Collegiate in the Conference Room. These meetings are a fantastic way to learn about what our community offers, raise concerns, and connect with neighbours. These meetings are open to the public, and you're all invited to attend.

Thank you moment

Thank you to all of our volunteers across the community, whether that was supervising at the Elsie Dorsey and Mike Badham outdoor rinks or as a Snow Angel this year, running a program at any time of the year, assisting with our events, coming to meetings, advocating for our neighbourhood, and all the other awesome things that you do to make this place feel like home. We genuinely appreciate it!
